

MidCal MINIs Event and Run Calendar for 2013

Can you believe that in less than two months Christmas will be upon us; and then we will be starting another New Year? If you are already thinking ahead and planning your vacation or other equally exciting events for 2013, don't forget to pencil in the MidCal MINIs Club events. Below is the newly released list of Club events for 2013. Several dates are tentative and will be finalized as we get closer to the month. Several months are in need of events so if you would like to see a particular run or event added to the list, send us an email by using the "suggestion box" on the website or by emailing us at mcm@midcalminis.org.

To make your planning for 2013 easy we have once again created this handy MINI checklist with all of the MidCal MINIs activities planned for this upcoming year all written down in one place. All you have to do is print this out and post it on your fridge or carry it in your wallet.

But before leaving 2012 completely behind, we have two MINI months left in 2012 with fun things to do.

November 10th - Saturday

Two options are available for November 10th, a trek to Superior Dairy in Hanford for lunch and ice cream or Bowling at Rodeo Lanes in Clovis**. Of course after the wonderful Superior Dairy ice cream, maybe we should bowl afterwards to work off the calories? What would you like to do? Email Tina at mcm@midcalminis.gov.

December 8th - Saturday

December 8th - The date has been set for this great annual event hosted by Tom and Tina (**MINIEOR**) - the Annual **MidCal MINIs Potluck Christmas Party**. Tom will resume his duties as Master of the BBQ for this BYOB event. Similar to prior years the party will have an early start time (approximately 3:00 PM) to enable enjoyment of the great scenery, wonderful

weather and to expand quality chat time. All are welcomed to stay as long as they want. Those partaking of the Holiday libations (drinking) and those not wanting to drive home, are encouraged to bring a sleeping bag and to stay the night. Several bedrooms will be available, (first come - first serve) and of course the living room floor is open for business as well. The party venue also has room for a trailer or motor home. There are no hookups however but Tom and Tina certainly offer lots of options. If you are interested, email Tina **early** to reserve your space.

As per tradition for those wishing to participate, there is the ever popular gift exchange. The **ONLY RULES**: Don't spend more than \$20 to \$25 and preferably something with a MINI theme (for a MINI, having to do with a MINI or something for the MINI driver).

Watch for an email from Tina for more information.

And then....

Notes:

*Unless otherwise noted, all MidCal Monthly Meetings are held at Yosemite Falls Cafe located at 4020 North Cedar Avenue in Granite Park and start at 6:30 pm.

Driving directions are: From 168 East to the Shields Ave exit. Make a left turn onto Shields Ave. and then take the first right on Cedar Ave heading north. Travel 0.7 miles to Granite Park (on your right just past Dakota). Upon entering the main entrance at Granite Park, take a left passing between Yosemite Falls Cafe and Me-N-Eds. Parking is along the very back row of the parking lot as the location can get very busy. RSVP's are a must as an accurate head count is needed. Please RSVP to Tina at least three full days before the meeting and also let her know if something comes up and you must cancel or attendance as well.

**AMF Rodeo Lanes is located at 140 Shaw Ave. in Clovis California just past Minnewawa.
